The EPA regulation provides for the use of alternative labeling. For specific requirements and options on labeling regulations, refer to 40 CFR 82.

6. BUYER'S PROPERTY RIGHTS AND DISCLOSURE:

- (a) Seller agrees that any information disclosed by Buyer to Seller for the purpose of this Order shall be used only in performance of this Order. Nothing in this provision shall restrict Seller's right to use or disclose any information, which is or becomes generally known to the public without breach of this provision by Seller or is rightfully obtained without restriction from other sources. Upon completion or termination of this Order, Seller shall return all such information to Buyer, or make such other disposition thereof as may be directed or approved by Buyer.

- (a) Neither this Order nor any interest herein nor claim hereunder may be assigned or delegated by Seller; nor may all or substantially all of this Order be further subcontracted by Seller without the prior written consent of Buyer. No consent shall not be deemed to relieve Seller of its obligations to comply fully with the requirements hereof.
- (b) Notwithstanding the above, Seller may, without Buyer's consent, assign monies due or to become due hereunder provided Buyer shall continue to have the right to exercise any and all of its rights hereunder, settle any and all claims arising out of, and enter into amendments to this Order, without notice to or consent of the assignee. 8. TERMINATION FOR CONVENIENCE:

- (a) This Order may at any time be terminated in whole or in part by written notice from the Buyer. If such termination is for the convenience of Buyer and is not caused by Seller's failure to fulfill the requirements or make progress so as to endanger performance of this Order, Buyer, deducting any amount(s) previously paid, shall pay a proportional price for all work performed plus a profit on such work but excluding profit on direct costs incurred due to termination. The total amount to be paid by Buyer in the event of convenience termination shall be determined by negotiation, but it shall in no event exceed the price of this Order.
- (b) In the event of a convenience termination, Seller shall use its best efforts to reduce costs incurred on terminated work and, to the extent not terminated, shall diligently continue performance of the work not terminated in accordance with the terms of this Order.

9. TERMINATION FOR DEFAULT:

- (a) Buyer may, without prejudice to any other rights or remedies provided by law or under this Order by written Notice of Default by Seller, terminate the Order in whole or in part in any one of the following circumstances:
 - (1) If Seller has been declared bankrupt, make an assignment for the benefit of creditors, or is in receivership; or
 - (2) If Seller fails to perform the work or deliver the supplies or services in accordance with the delivery or performance schedules specified in this Order, or any extension thereof; or
 - (3) If Seller fails to perform any of the other terms of this Order, or so fails to make progress as to endanger the performance of this Order in accordance with its terms, and in either of these two circumstances does not cure such failure within a period of ten (10) days (or such longer period as Buyer may authorize in writing) after receipt of notice from Buyer specifying such failure.
- (b) If at any time it appears that the Seller has not or will not meet this Order's delivery schedule, or any extension thereof, the Buyer shall have the right to require the Seller to submit a revised delivery schedule together with adequate documentation to support the reasonableness of the revised schedule:
 - (1) The revised schedule shall provide a specific date for the delivery of each deliverable item under this Order and shall not be submitted subject to any contingencies.
 - (2) Such request shall not be deemed a waiver of any existing delivery schedule or any other rights of Buyer under this Order.
 - (3) If Seller fails to submit a revised delivery schedule as specified above, or any extension thereof granted by Buyer, Seller shall be deemed to have failed to make delivery within the meaning of the "Default" clause of this Order and this Order shall be subject to termination.
- (c) In the event Buyer terminates this Order in whole or in part as provided in paragraph (a) of this provision, Buyer may procure, upon such terms and in such manner as it may deem appropriate, supplies or services similar to those so terminated, and Seller shall be liable to Buyer for any excess costs reasonable incurred for such similar supplies or services; provided that Seller shall continue the performance of this Order to the extent not terminated under the provisions of this article.
- (d) Except with respect to defaults of Seller's subcontractors, Seller shall not be liable for any excess costs if the failure to perform the Order arises out of causes beyond the control and without the fault or negligence of the Seller, provided Seller gives Buyer written notice of such causes within ten (10) days of the occurrence thereof and within the period of delivery agreed upon. Such causes may include, but are not restricted to, acts of God or of a public enemy, acts of Buyer, acts of a government in either its sovereign or contractual capacity, fires, floods, epidemics, quarantine restrictions, strikes, and freight embargoes; but in every case the failure to perform must be beyond the control and without the fault or negligence of the Seller. If failure to perform is caused by default of Seller's subcontractor, and if such default arises out of causes beyond the control of both Seller and its subcontractor, and without the fault or negligence of, and despite the exercise of utmost diligence by either of them, Seller shall not be liable for any excess costs for failure to perform, unless the suppliers or services to be furnished by Seller's subcontractor were obtainable from other sources in sufficient time to permit Seller to meet the required delivery schedule.
- (e) If this Order is terminated as provided in this article, Buyer, in addition to other rights afforded in this article, may require Seller to transfer title to and deliver to Buyer, in the manner and to the extent directed by Buyer:
 - (1) Any completed supplies, and
 - (2) Such partially completed supplies and materials, parts, tools, dies, jigs, fixtures, plans, drawings, information, contract rights (hereinafter called "manufacturing materials") as Seller has specifically produced or acquired for the performance of such part of this Order or as has been terminated, and Seller shall, upon Direction of Buyer, protect and preserve property in possession of Seller in which Buyer has an interest.

Buyer may withhold from amounts otherwise due Seller under this paragraph such sum as Buyer deems necessary to cover the additional cost of completing the Order and to protect Buyer against loss because of outstanding liens or claims of former lien holders.
- (g) If, after a notice of termination under the provisions of paragraph (a) has been issued, it is determined that the failure to perform this Order is due to causes beyond the control and without the fault or negligence of Seller or any of its suppliers, or subcontractors, such notice of termination shall be deemed to have been issued pursuant to the provisions of article 8 entitled "Termination for Convenience", and the rights and obligations of the parties shall, in such event, be governed by such article.
- (h) The rights and remedies of the Buyer provided in this article shall not be exclusive and are in addition to any other rights and remedies provided at law, or in equity, or under this Order.

10. COMPLIANCE WITH DELIVERY SCHEDULE:

Seller agrees to exert every effort, including overtime, to meet the specified delivery schedule. Any notice to Seller by Buyer as to possible delay and/or expediting action by Buyer to accomplish on-time delivery shall not constitute a waiver of Buyer's right under this Order nor shall either or both of such foregoing actions in any way affect the responsibility of Seller to make timely deliveries of items or perform specified services in accordance with the delivery schedule prescribed by this Order.

11. QUALITY CONTROL AND INSPECTION:

- (a) Seller and its suppliers shall establish and maintain a quality control and inspection program as required by the quality control requirements of this Order. Any changes, deviations or waivers from the requirements of the Order shall have the prior written approval of the Buyer.

The work set forth in the Order is subject to inspections and monitoring in accordance with the requirements of this Order and the quality program set forth at the Seller's or Seller's supplier's facility and such may be performed by the Buyer or its customer at their sole discretion. Inspection by the Buyer or its customer shall not relieve the Seller from responsibility for any omission, defect, fault, or other failure to meet the requirements of this Order. If any item is found to be defective in material, workmanship, or otherwise not in conformance with the requirements of this Order, the Buyer shall have the right to reject such defective item(s) or require its prompt correction, all at Seller's expense.
- (d) Seller shall keep and maintain proper and adequate inspection, test, and related records, which shall be available for inspection by the Buyer or its customer representative and shall allow copies to be made and extracts to be taken and shall furnish all information which may be required by the Buyer.
- (e) All items also may be subject to further inspection and acceptance at Buyer's plant, Seller's plant, or site of installation, notwithstanding any payments or other prior inspection. Final acceptance shall be at Buyer's facility or Buyer's Purchasing representative may designate such other place as in writing.

12. JIGS AND FIXTURES:

In the manufacture of items to be supplied hereunder, Seller shall use jigs, fixtures, and/or other devices or appliances in all processes where such use is conducive to interchangeability for uniformity of the product, of such character as will reduce the need for selective assembly, and whenever Buyer determines that such devices or appliances are incorrect, worn, damaged, or defective to such an extent as to adversely affect basic interchangeability of the item manufactured, Seller shall not thereafter use the same in its incorrect, worn, damaged, or defective form.

16. INVOICES:

- (a) Unless otherwise specified in this Order, invoices shall be emailed to Buyer's Accounts Payable Department when items are shipped. The time for payment shall not commence before Buyer's actual or scheduled receipt, whichever is later, of items at their destination or before performance by Seller in accordance with the requirements of this Order. - (c) In addition to any other remedies that may be available at law or in equity, Buyer shall have the right to recover from Seller by offset or otherwise the price of any items returned to Seller under the terms of this Order.

If such good faith efforts fail, the Buyer, at its option, may submit the dispute to mediation and/or binding arbitration in the State of California. The selection of an independent and neutral mediator shall be at the mutual agreement of the parties. Buyer reserves the right to abandon arbitration and pursue all available legal and equitable remedies in the event Seller does not comply with a demand for arbitration within sixty (60) days of notice. The parties shall divide the cost of mediation and arbitration, including the fees of the mediator(s) or arbitrator(s), equally unless the award provides otherwise. Each party shall bear its own cost of preparing and presenting its case.

This Order and the attachments and documents incorporated herein constitute the complete and exclusive statement of the terms of this agreement between Buyer and Seller and supersede all prior representations, understandings, and communications relating hereto. The invalidity in whole or in part of any provision of this Order shall not affect the validity of other provisions. Buyer's failure to insist, in any one or more instance, upon the performance of any term of this Order, shall not be construed as a waiver or relinquishment of Buyer's right to such performance or to future performance of such a term or terms, and Seller's obligation in respect thereto shall continue in full force and effect. Time shall be of the essence hereunder. Seller shall perform work and make deliveries hereunder no earlier than and only to the minimum extent consistent with delivery schedules and other requirements.
