

**SELLER'S SECURITY/EXPORT CERTIFICATION  
For U.S. PERSONS**

Purchase Order \_\_\_\_\_

INTRODUCTION

HRL Laboratories, LLC ("HRL" or "Buyer"), as a Defense contractor with a Facility Security Clearance must comply with U.S. Government Security and Export laws and regulations.

Therefore, all personnel of Seller and its subcontractors (if any) who require unescorted access inside the premises of HRL in performance of work under this contract (Purchase Order referenced above) will be subject to the security controls prescribed by the U.S. Government.

CERTIFICATION

**Seller hereby certifies that all personnel provided under this contract will be a citizen of the United States or a lawful Permanent Resident (Green Card holder).**

*Note: This is a different designation than the Immigration Reform and Control Act of 1986, INS I-9 form that indicates that the worker is lawfully eligible to work in the United States.*

**Further, Seller hereby indemnifies and agrees to hold HRL harmless from and against any and all claims, liabilities, penalties and expenses resulting from Seller's failure to comply with these requirements.**
